

## Language Skills Results for Autumn 2005

!!!!!!!!!!!!!! Sorry for the delay in getting these results posted everyone. There was a note on the notice board. I thought they had been posted on IS last week on the 10<sup>th</sup>... but I guess I pushed a wrong button or something clever like that. So again, sorry for any inconvenience that I may have caused! Rob

These are your practical and written test scores. You need 130 (combined)... as you know... to pass. The written exam scores were fantastic. Great job everyone!
