Dear Professor,

I am sorry, but I will be absent in this lesson, because there is a duty I have to do today. I like the seminar and therefore I regret to be forced to do it, but there is no other option. Thank you for your understanding.

Dear Mrs. Novotná.

I have a question concerning our final exam/test from "AJ2BP_USAJ Úvod do studia AJ pro u itele". I tried to look the answer up somewhere but I failed. Is the test in a form of choosing right answers (A,B,C,D ticking) or are there answers on our own (answering by our own words/sentences)? Thanks much for reply, it will help a lot.

Have a pleasant weekend.

Alois Nebel

(honorable student of yours in his first term of AJ/HV studies)

I will contact you as soon as possible upon my return.

Vážená paní docentko,

Děkuji mnohokrát za Vaši rychlou odpověď. Nicméně bych Vás chtěla stručně poprosit, zda byste mi mohla zaslat Vaše stanovisko do konce příštího týdne.

Důvod mé žádosti je takový, že musím v případě neuznání předem tu za 14 dní podstoupit zápočetový test.

Good evening Mr. teacher,

I want to apology me because I need to write test in mathematics.

It's during our grammar lesson tomorrow.

I will not write credit test because I failed on last test and I must repeat this subject. So I hope that my absence will nevermind you.

Thank you.

I wish you nice rest of day.
