

Syllabus and requirements for Pronunciation Exercises 1A

Tasks:

- study individually this following book and practice all the sounds (especially pay attention to minimal pairs):
 - **Tree or Three? An elementary pronunciation course (Second edition) (2006). Baker, A., Cambridge University Press.**
- keep notes of words you used to mispronounce + the correct pronunciation you have learnt
- think of a creative activity you'd use in a classroom to teach the children pronunciation
- at the end of the semester or during the exam period, come to the evaluation (send me an e-mail to confirm the date) with all the completed tasks – you'll also be asked to read aloud some minimal pairs and a brief text
