

Truancy

Programs that encourage kids to stay in school

- How do other schools encourage kids to come to school and keep coming back to school?
- How do they work?
- How do they help to prevent truancy?

(research individually online in English then come back together as a school and share information)

Truancy

Create one or many little programs that doesn't cost the school much to encourage kids to stay in school.

Create it on paper or a new DOC on a laptop

- How to encourage kids to come to school and keep coming back to school?
- What are your program names?
- How do they work?
- How do they help to prevent truancy?
