The building is a grand, three-story structure with a symmetrical facade. It features a prominent central pediment over the entrance. The facade is adorned with numerous windows: the second floor has rectangular windows with dark shutters, while the first floor has a mix of rectangular and arched windows. The building is flanked by tall, dark green hedges. In the foreground, a cobblestone courtyard is visible, with a few people and a tripod on the right side.

Two people are visible in the foreground on the right side of the image. One person is wearing a light blue patterned shirt and white shorts, standing near a black tripod. Another person is partially visible next to them, wearing a grey shirt and dark pants.
