

Look before... to learn. You can't teach... until you come to it.

Absence makes the heart... better than one. Beware of Greeks... golden.

Never put off till tomorrow... in the mouth. Nice guys... out of mind.

Two heads are... what you can do today. Too many cooks... own canoe.

You're never too old... by its cover. Clothes make... bearing gifts.

Don't look a gift horse... grow fonder. Silence is... an old dog new tricks.

Do unto others as... gets the grease.

Many hands make... you leap.

Don't judge a book... light work.

The squeaking wheel...you would have others do unto you.

He who hesitates... the man.

Out of sight,... is lost.

Don't cross the bridge... spoil the broth.

Paddle your... finish last.
