

Study guide

Use this study guide if you need help in deciding which units you should study, or which part of the *Grammar review* you should read first. Which of the four alternatives completes the sentences in the correct or most likely way? Sometimes more than one alternative is possible.

If you are not sure which alternatives are correct, study any related sections of the *Grammar review* first and then the unit(s) given on the right. You will find the correct answer in the section of the *Grammar review* or the unit highlighted.

You can find an answer key to this study guide on page 281.
