

# NON VERBAL COMMUNICATION

# COMMUNICATION

verbal x non verbal

- verbal uses words (spoken, written)
- non verbal uses body language
- approximately 70% of all human communication is non verbal

„The most important thing in communication is hearing what isn't said.“

Peter Drucker

## intentional x non-intentional

- ability to control the „messages“
- giving and receiving signals

### intentional

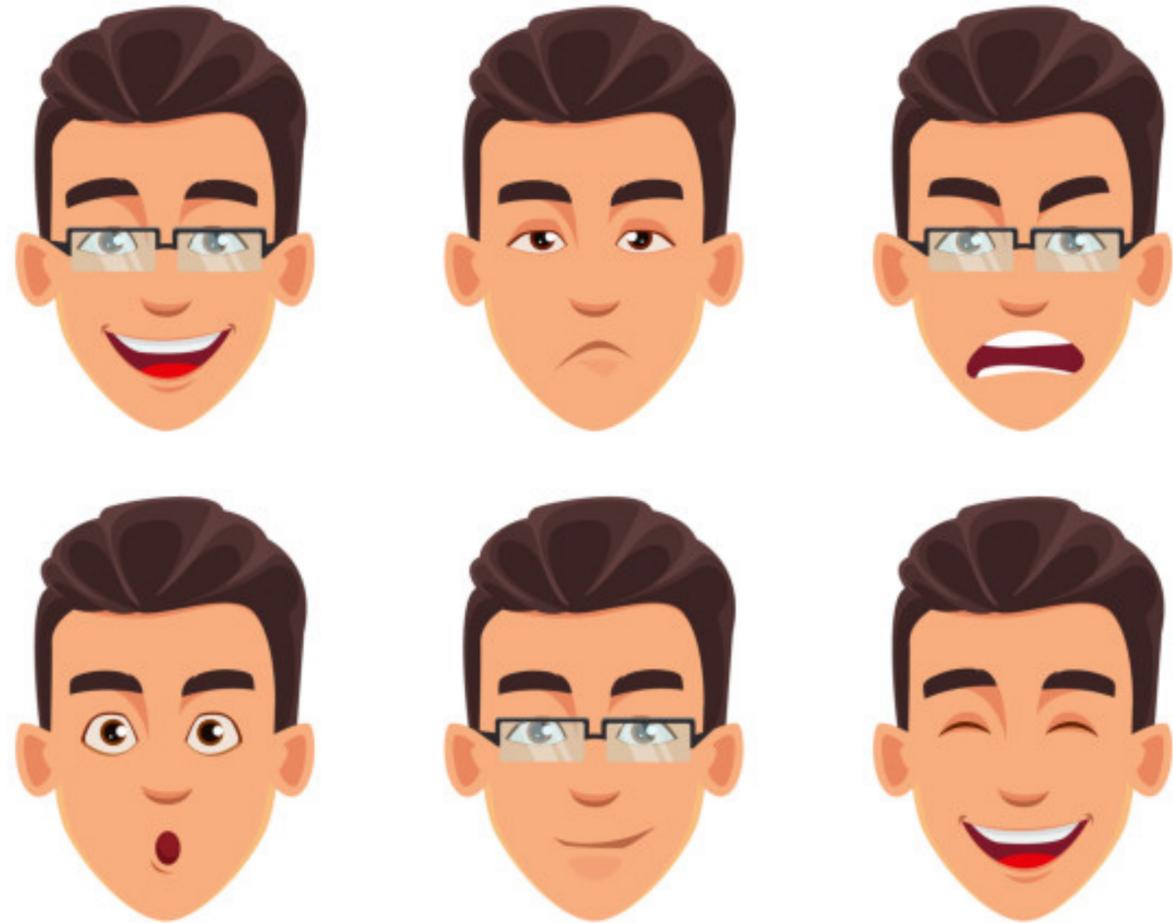

- posture, tone of the voice, facial expression..

### non- intentional

- sweating, shaking voice, blushing..

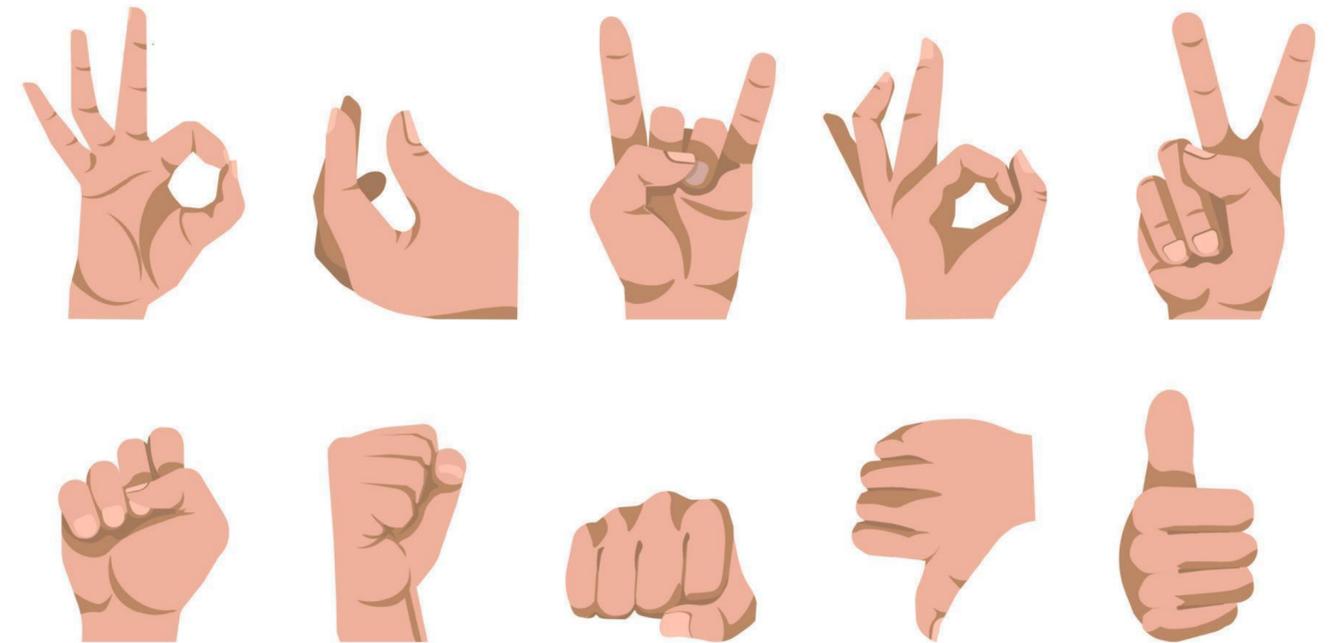

## mimics

- using of facial muscles
- universal, across cultures
- smile, frown, anger..

# gestures

- movement of hands
- might be different in different cultures
- waving, pointing..

## posture

- includes posture, bearing, stance
- complex, quite subtle
- the way people sit, stand, walk..

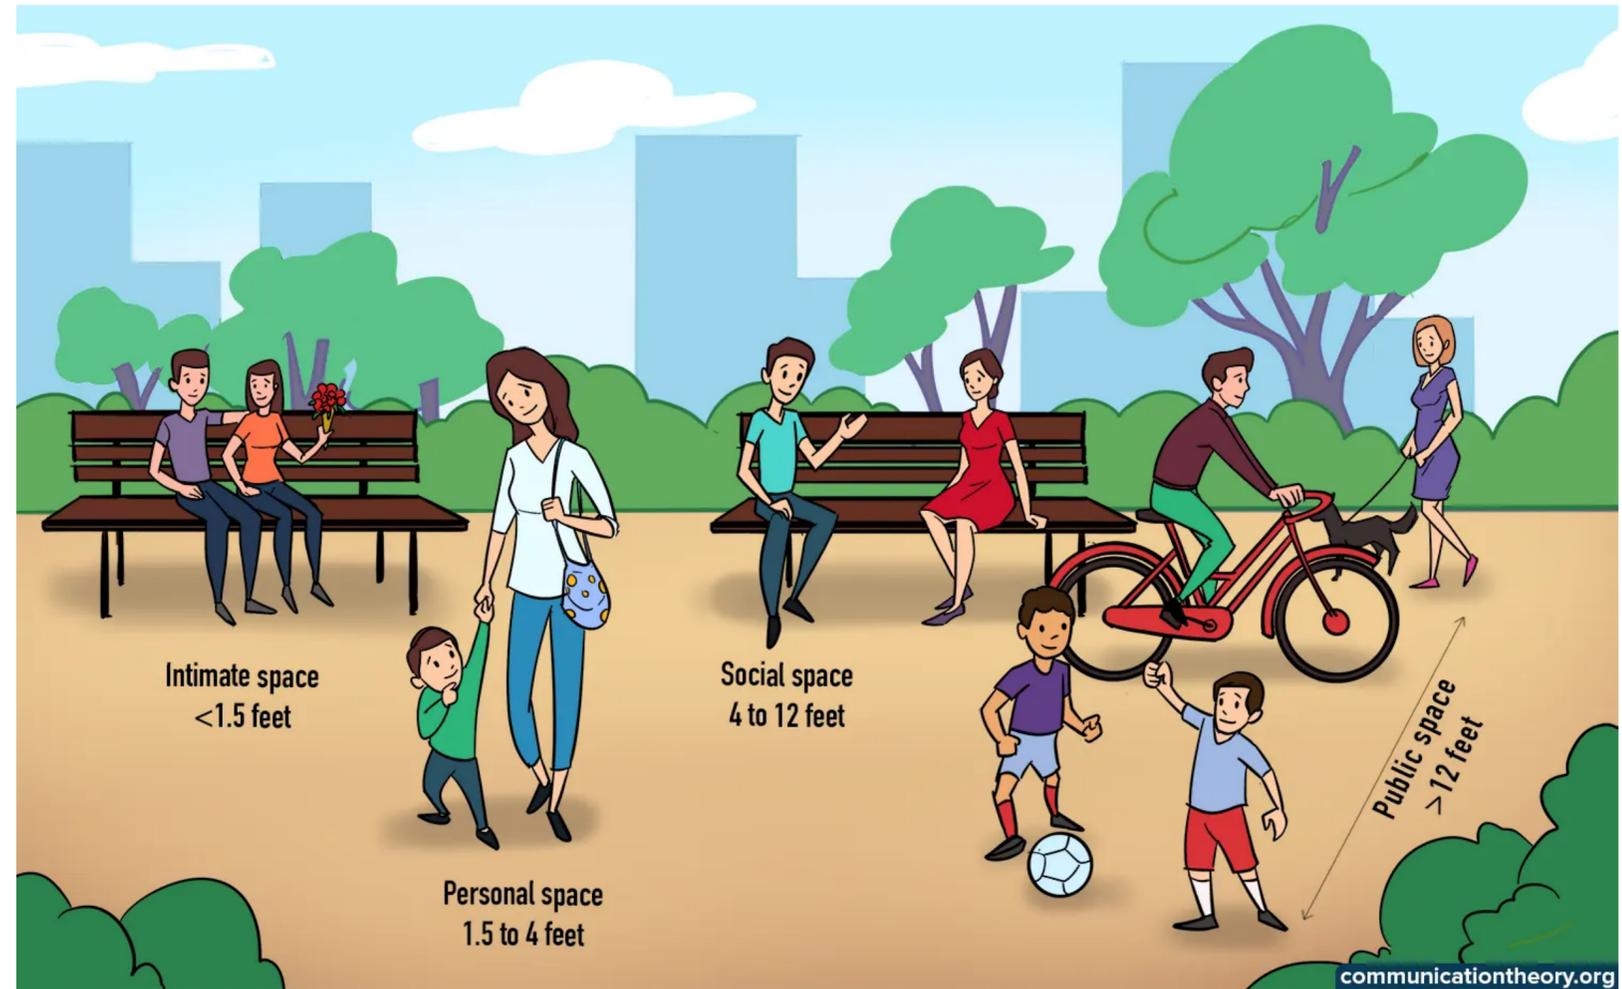

# eye contact

- gaze
- dialation of pupils, blinking
- avoiding x maintaining eye contact
- showing respect, affection, hostility

# proxemics

- distance between people
- intimate x personal x social x public
- proxemic dance

# haptics

- communication by touch
- differences between gender, social class

let's exercise!
