Lesson plan - School and education system

TIME	ACTIVITY
5 minutes	- Education system in the Czech Republic - discussion in pairs: - How does it work? Imagine you're explaining it to a stranger.
5 minutes	- With the whole class: - Are education systems everywhere the same? - What do you like or dislike about education system in the Czech Republic? What would you change if you could?
5 minutes	- Think about your time in school and then share it with the class: - What school subject did you like the most? - Was there a subject that you think was unnecessary for you?
10 minutes	- Watch a video about the education system in Finland. - Listen and prepare answers for the questions below. - https://www.youtube.com/watch?v=7xCe2m0kiSg
5 minutes	- Discuss the answers with the whole class. - What do you like about their education system? - What would you like to implement into our education system?
5 minutes	- Discuss in pairs: - Do you know how the education system in the UK works? - Do you know how the education system in the U.S. works?
10 minutes	- Look at the phrases below and match it with the UK, the U.S. or with the Czech Republic. You can match it with multiple choices also. - Check the answers.

1. Questions about the video:

- How much time will the students spend in the school compared to Australian children?
- What activities can the children do while having a break?
- Do their parents have to buy anything for them while they're in the school?
- What education/degree do you need to become a teacher in Finland?

2. UK, U.S. or the Czech Republic?

- Elementary/Primary and secondary school
- Grammar school
- Junior high school and high school
- Education is for free
- You have to pay for private schools if you want tu study there
- Education is very expensive
- College or University
