

Skills for the 21st-century workplace

Imagination

Think of an object or gadget you use every day. How could it be improved?

Can you think of three improvements?

Problem solving

Imagine you are organising an end-of-term social event at school. Think of some problems that you could face.

Communication skills

Workers will have to be able to negotiate and discuss key issues and also write in a clear way without using too many words.

Critical analysis

Use the internet to find out three facts about a celebrity or famous figure.

Can you verify the information by checking other websites?

Decision making

It is important to be able to evaluate a situation and be confident in making a decision.

Which three things could you do to be healthier, do better at school and help others? Make a decision now to do at least one of these things.
