Spekulativní, kritický design

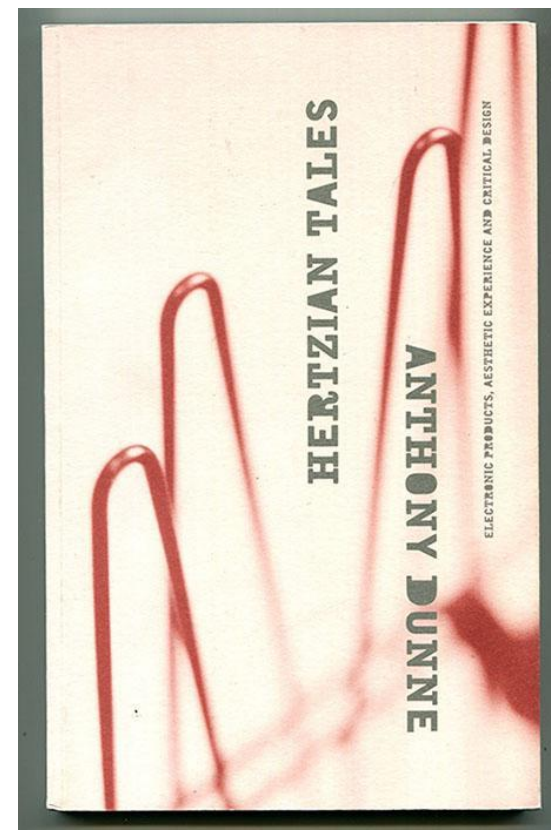

Ezio Manzani: vytváření scénářů alternativních budoucností, vizualizace pro veřejnost, design jako vytváření smyslu, nutnost politického vyjednávání o hodnotách a vztazích

Anthony Dunne: KD řeší pasivitu společnosti, neschopnost vidět alternativy k současnosti brání pokroku, prezentuje probíhající či budoucí změny, podporuje debatu, možnost demokratické volby

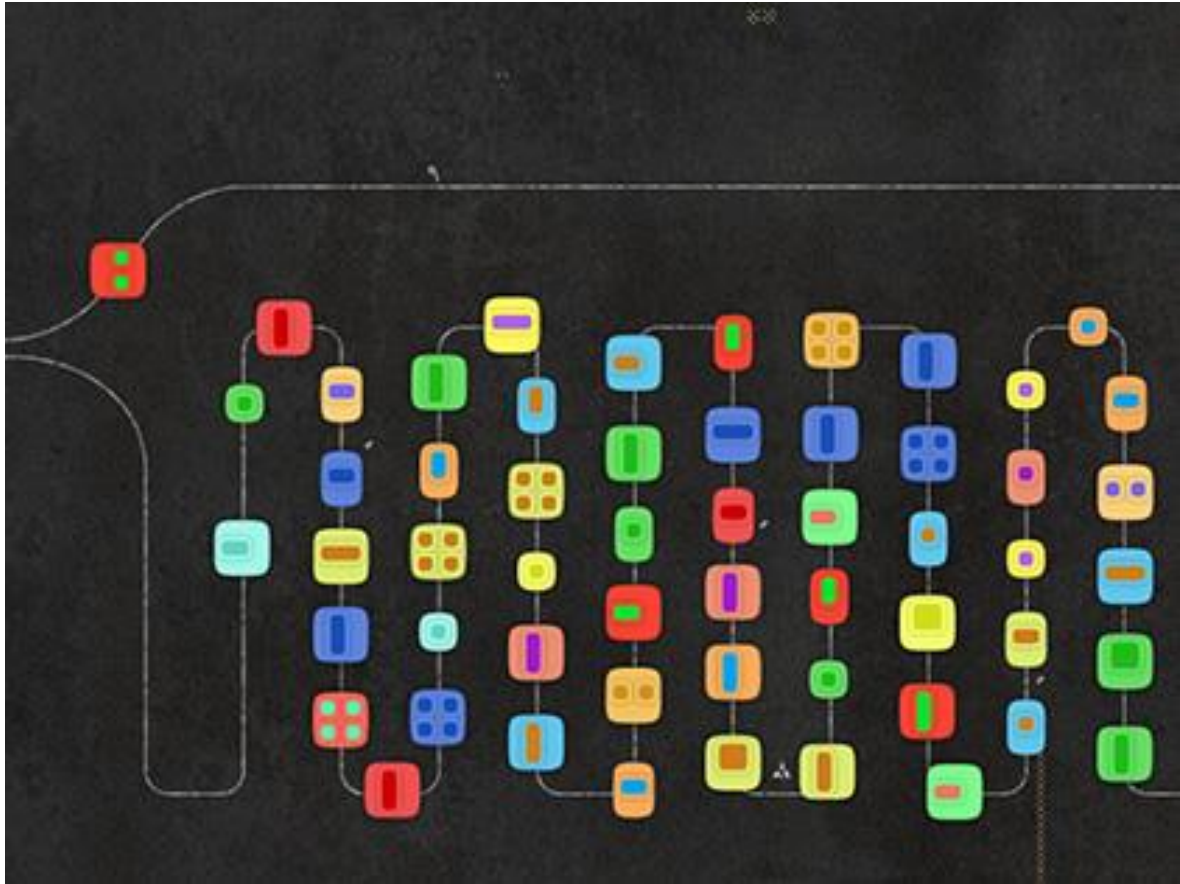

-kritické: etika, pol. systémy, soc víry, hodnoty, strachy, naděje

-problémy: klimatická změna, sociální nespravedlnost...

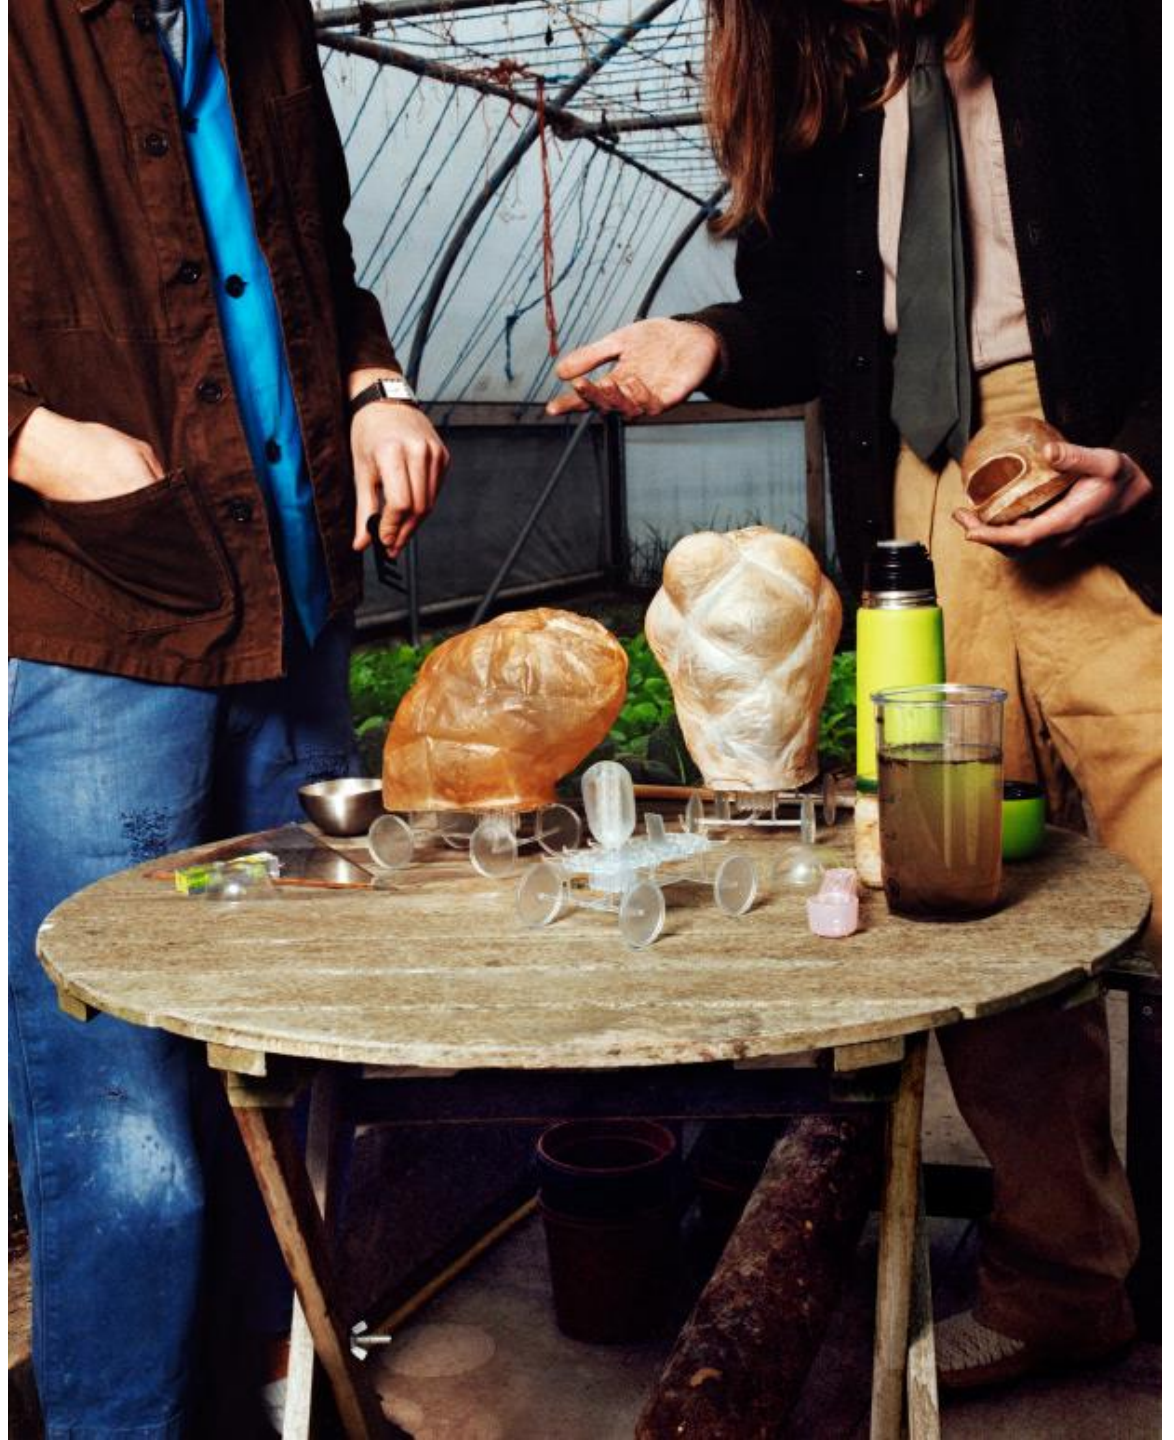

-přijetí zodpovědnosti
