

Lesson plan - Music

TIME	ACTIVITY
3 minutes	- Prepare your answers for the questions below.
10 minutes	<ul style="list-style-type: none"> - Have a discussion in pairs and get to know each other. - Share some interesting things you learned about your neighbor with the whole class.
3 minutes	- Create a mind map in small groups. Write whatever comes to mind when somebody says the word „music“.
5 minutes	<ul style="list-style-type: none"> - What words did you write? - How are they connected to music?
3 minutes	<ul style="list-style-type: none"> - Read the phrases below. - Do you agree with them? - Can you think of other things music is good for?
10 minutes	<ul style="list-style-type: none"> - Watch this short video about how playing an instrument benefits your brain. - https://www.youtube.com/watch?v=R0JKCYZ8hng - Did you find anything interesting about this video?
3 minutes	<ul style="list-style-type: none"> - Discussion: - What are your thoughts about classical music? - Do you like it? Have you ever been to a classical music concert?
5 minutes	<ul style="list-style-type: none"> - Think about music in different countries and cultures. - Is it the same or does it differ anyhow? - Have a discussion in small groups.
3 minutes	<ul style="list-style-type: none"> - Two questions for the end of the class: - What is your favorite artist/band currently? Does it change often or do you have an all time favorite?

1. Prepare:

- Have you ever played any musical instrument?
- If you did, what songs did you like to play (what genre)? /If you didn't, would you like to play a musical instrument in the future?
- How often do you listen to music?
- What genre do you like the most and why?
- Do you know of anyone who doesn't listen to music?

2. Music is good for:

- stress relieve
- motivation (cleaning, in the gym, ...)
- studying
- bonding with friends (festivals, concerts, dancing)
