

COURSE INFORMATION

Dear students,

All basic materials required for our seminars are available on this site.

2 missed attendances are acceptable.

You can read, study and print materials at your convenience.

All the subject matter from classes will be posted in Unit notes under the title Learning materials.

The basic textbook is posted in the study literature, it is „Čeština expres“ by Lída Holá and Pavla Bořilová.

In the course of the semester you are supposed to take 5 short progress tests and 1 final exam test. All tests will be held online, please bring your electronic devices to the classes.

The dates and topics of the tests are as follows:

1st test October 19: U1+2

2nd test November 2: U3+4

3rd test November 16: U5+6

4th test November 30: U7+8

5th test December 7: U9+10

Final exam test including U11+12: December 14 =pre-term

There will be more exam terms posted in January.

PLEASE, MAKE SURE TO BRING YOUR ELECTRONIC DEVICES TO CLASS ON THE DAYS OF TEST!!!

You will be given a one point bonus for each successfully passed progress test. These bonus points will be counted in your final test score. You will be able to practise for each test taking ROPOT exercises.

Good luck!
