

Final EVAJA4 results. Congratulations if you've achieved 75+pts, I'll enter your credit in the IS soon. If your result is 70-74, I'll expect you on Thursday, May 14, at 10am in my office for a short colloquium. If you've done worse than that, you'll have to make up for the missed tests anytime in my office hours and see me on June 10 at 2pm in my office.
