BERTSOLARI is a journey through improvised poetry, silence, and art laid bare.

The documentary film Bertsolari was screened in the Official Section of the San Sebastian Film Festival 2011.

Bertsolaritza

“The bertsolari is the improviser of verse sung in the Basque language, Euskara. This oral tradition has managed to evolve and adapt to the times connecting with the younger generation, bringing together ten thousand people at the final of the last championship. An austere aesthetic art that surprises in this era of spectacle and special effects.
