

Eleven years in the making,
Drawn to Marvel
is the first and only anthology
of its kind.

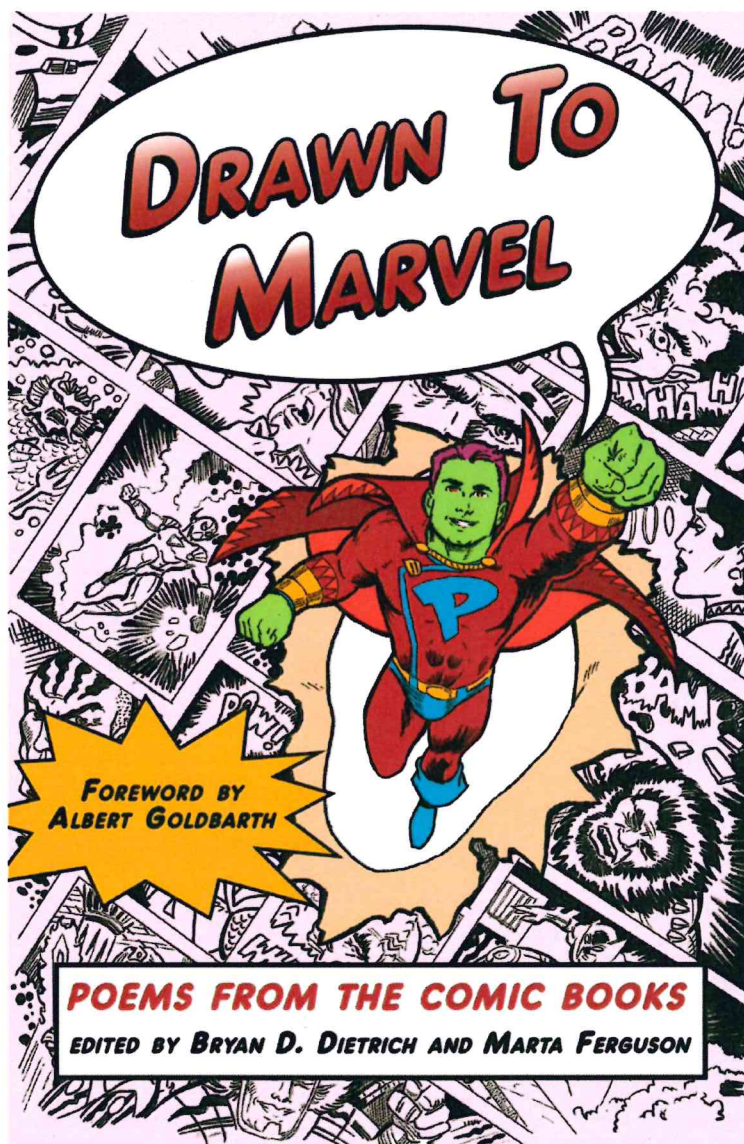

Covering five decades of poetry about comic books, superheroes and super villains, *Drawn to Marvel* explores a variety of themes, including aging, the woes of superhero sidekicks, love, sex, and other issues. Poems pay homage to characters such as *The Avengers*, *The Justice League*, *Buffy the Vampire Slayer*, *Swamp Thing* and many others.

300 pages!
138 poets!
