You've signed up for a class on Writing in English. What do you hope to get out of this class?

- 1. What goals would you add to this list? (try to think of at least 2)**
- 2. What questions would you add to this list? (try to think of at least 2)**

HW:

- 1. Sometime this week, go to a part of Brno you aren't familiar with, and spend some time getting lost. (Be safe. Please don't put yourself in any dangerous situations!) During and/or after "getting lost," document your experience in (English) words. This can be in ANY form/genre (a poem, a story, a FB post, tweets, graffiti), and of any length. Bring your work to class to share next week.**
- 2. Read Ch. 1 of Richard Lanham's book "Revising Prose." I read this book when I was at university, and it still influences my thinking about what makes good writing. Come to class next week prepared to discuss Lanham's ideas. Do you think they useful/helpful for non-**

native speakers of English? Why or why not?

- 3. Think about what kind of writing project you'd like to do...**
