Objeví se začátek žebříčku, sestaveného chronologicky. Nejprve jsou zpívané nahrávky, někde kolem prostředka seznamu, když zpěváci dospějí k roku 2020, začíná chronologie znovu s nahrávkami „Instrumental“.

Tam, kde je vlevo na začátku řádku symbol „Play“ , lze si nahrávku poslechnout kliknutím na ni.

Zajímá mne obdélník vlevo:

Kliknu na symbol „Play“ a v pravém dolním rohu si mohu obdélník zvětšit na celou obrazovku. Jeho obsah je proměnlivý, ale často tam bývá galerie fotografií, někdy i video. Jindy jen jeden neměnný obrázek etikety desky nebo umělce.

Kliknutím na jeho jméno ve velkém nápisu

Druhým zdrojem žebříčku nejnahrávanějšího tisíce standardů je kouzelné slovo „jazzstandards“, které obsahuje několik kapitol a my půjdeme už přímo na písničky, tedy tímto odkazem:

<https://www.jazzstandards.com/compositions/>

Takhle vypadá první strana (její horní část; musíme rolovat dolů)

The screenshot shows the JazzStandards.com website. At the top, there's a navigation bar with links: Home, Overview, Songs, Biographies, History, Theory, Search, Bookstore, Articles, About. Below the navigation bar, there's a search bar and a button labeled 'OTEVŘÍT'. The main content area is divided into two columns. The left column is titled 'Song Contents' and lists various ranking categories like 'By Rank: 1-100', 'By Rank: 101-200', etc., with arrows pointing to the right. The right column is titled 'Songs and Instrumentals (1-100)' and features a list of the top 300 jazz standards. The list starts with '1 1930 Body and Soul' and ends with '24 1930 Embraceable You'. Each entry includes the year, the song title, and a star icon. There are also advertisements for Sharp Business Systems and Tefal Guzzini coffee machines on the page.

Lze stránkovat po stovkách, buď z levé tabulky, nebo naspodu každé stránky kliknutím na „Next→“. Kliknutím na jednotlivé názvy si otvírám spoustu informací ke každé písni až do čísla 300. Třeba „My Funny Valentine“:

The screenshot shows the detailed page for 'My Funny Valentine (1937)'. The page is divided into several sections. At the top, there's a title bar with navigation arrows. Below the title bar, there's a 'More on This Tune' section with links to 'Origin and Chart Information', 'Getting Started', 'Music and Lyrics Analysis', 'Jazz History Notes', 'Reading and Research', 'Soundtrack Information', and 'Comments'. To the right of this section is a 'Video Playlist' featuring a video of Pat Metheny playing the trumpet. Below the 'More on This Tune' section is a 'Listen and Compare' section with a large play button icon. To the right of this section is an 'Origin and Chart Information' section. This section includes a quote from Jon Luthro: "You haven't heard 'My Funny Valentine' if you've missed this classic version with Miles on muted trumpet, backed by one of his most famous quintets..." and a small image of Miles Davis. Below the quote, there's a table with the following information: Rank: 6, Music: Richard Rodgers, Lyrics: Lorenz Hart. At the bottom of the 'Origin and Chart Information' section, there's a paragraph about Mitzi Green introducing the song in the Broadway musical 'Babes in Arms'. Below this paragraph is a 'Biography' section with a small image of Mitzi Green and a link to 'More on Mitzi Green'. At the bottom of the page, there's a table listing various recordings of the song:

Artist	Album	Amazon
Bill Evans And Jim...	Undercurrent	CD MP3
Chet Baker	My Funny Valentine	CD MP3
Gerry Mulligan	What Is There To Sa...	CD MP3
Chucho Valdes	Live At The Village...	CD MP3
Jacky Terrasson	Smile	CD MP3

Zajímavé bývají ukázky v pravém horním obdélníčku „Video Playlist“, obvykle pět videí, jedno za druhým. Obraz je často velmi neostrý, ale posloucháme hudbu a ukázky jsou vybrány odpovědně. Další stránky se otevírají z obdélníčku vlevo nahoře „More on This Tune“.

Rozklikávat lze mnohá jména, nejen autorů, ale i zmiňovaných hudebníků a názvů dalších skladeb. Však to znáte.
