Soutěska Samaria

An aerial photograph of a coastal area. The top half shows a vast expanse of clear, turquoise blue water meeting a bright blue sky at the horizon. A small white boat is visible in the distance. The middle section shows a narrow, crescent-shaped sandy beach with several people scattered across it. The foreground is dominated by a rugged, rocky landscape with sparse, dry, yellowish-brown vegetation and patches of green shrubs. The overall scene is bright and sunny, suggesting a clear day.
