

The image features a stylized illustration of a Japanese pine tree, specifically a Gakusei Kyogen variety, characterized by its dense, horizontal branches and vibrant green needles. The tree is set against a background of vertical wooden planks, suggesting it is viewed through a window or a traditional Japanese sliding door. The entire scene is framed by a dark brown wooden border at the top and bottom. Two white, curved lines are drawn across the image, one on the left and one on the right, framing the central text and tree. The text is centered over the tree's canopy.
