

MOJA DRUŽINA

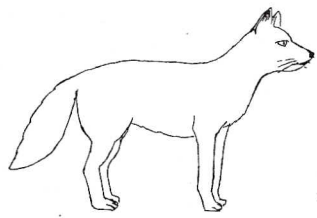

Moja družina živi v Ljubljani. Moj oče je profesor, mama pa profesorica. Delata v šoli. Oče uči slovenščino, mama pa matematiko.

Imam brata in sestro. Moj brat se imenuje Peter. On je študent. Študira medicino. On je velik. Veliko zna. Moj brat mi je všeč.

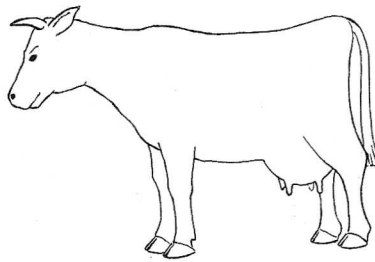

Moja sestra je majhna. Imenuje se Ana. Ima psa. Pes se imenuje Piki. Piki je rjav in majhen.

Živimo v hiši. Hiša je velika in bela. V hiši so sobe, kuhinja in kopalnica. V dnevni sobi gledamo televizijo, poslušamo radio in beremo. V kuhinji oče, mama in brat kuhajo. V kuhinji tudi jemo. Jemo veliko: krompir, riž, kruh, meso, solato, maslo, sir ... Moj oče zelo dobro kuha. V kopalnici se umivamo. Jaz imam majhno sobo. V sobi spim in se učim.
