

Estilos de letras

1. Romana moderna:

The image shows the letters 'N' and 'O' in a Roman modern style, characterized by sharp, vertical stems and a clean, geometric design. The letters are enclosed in a thin black rectangular border.

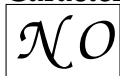

2. Paloseco:

The image shows the letters 'N' and 'O' in the Paloseco style, which is a simplified, sans-serif font with a slightly rounded appearance. The letters are enclosed in a thin black rectangular border.

3. Egipcia:

The image shows the letters 'N' and 'O' in an Egyptian style, featuring a more decorative and slightly irregular design with a small loop in the 'O'. The letters are enclosed in a thin black rectangular border.

4. Caracteres de escritura:

The image shows the letters 'N' and 'O' in a calligraphic style, with elegant, flowing curves and a decorative flourish. The letters are enclosed in a thin black rectangular border.**Familias de letras**
