Job Description:**EDITOR OF GAMING NEWS ARTICLES**

Your job is to read and follow all written articles, news, reviews, previews, etc. of competitor game critique gamesites with a game that has been chosen as a priority by the KeenGamer staff (IGN, Gamespot, Eurogamer etc.). You must also summarize all news articles and publish it on our website. Management of KeenGamer will provide you task based on priorities according to the games under our review which must be fully covered and presented, as written articles, on the Keengamer website.

Next task is to write original description about prioritized games and create their profile.

You will get access and rights to work in our editor and website. Management will talk to you on a daily basis and coordinate your work.

You will learn and improve in the editorial skills, how articles should look like, what constitutes priorities and how to attract readers. You will also gain knowledge and insight into the gaming business and learn how news is being created and how all the main gaming sites operate.

Summary of qualifications:

- Must have good knowledge of the video game industry and follow gaming news every day
- Have a strong grasp of the English language
- Must be passionate about games.
- Able to effectively communicate both written and verbally
- Must be highly motivated and able to work as an individual
- Must be able to work well with a team
- Able to produce high quality work in a timely fashion
