

Villa romana

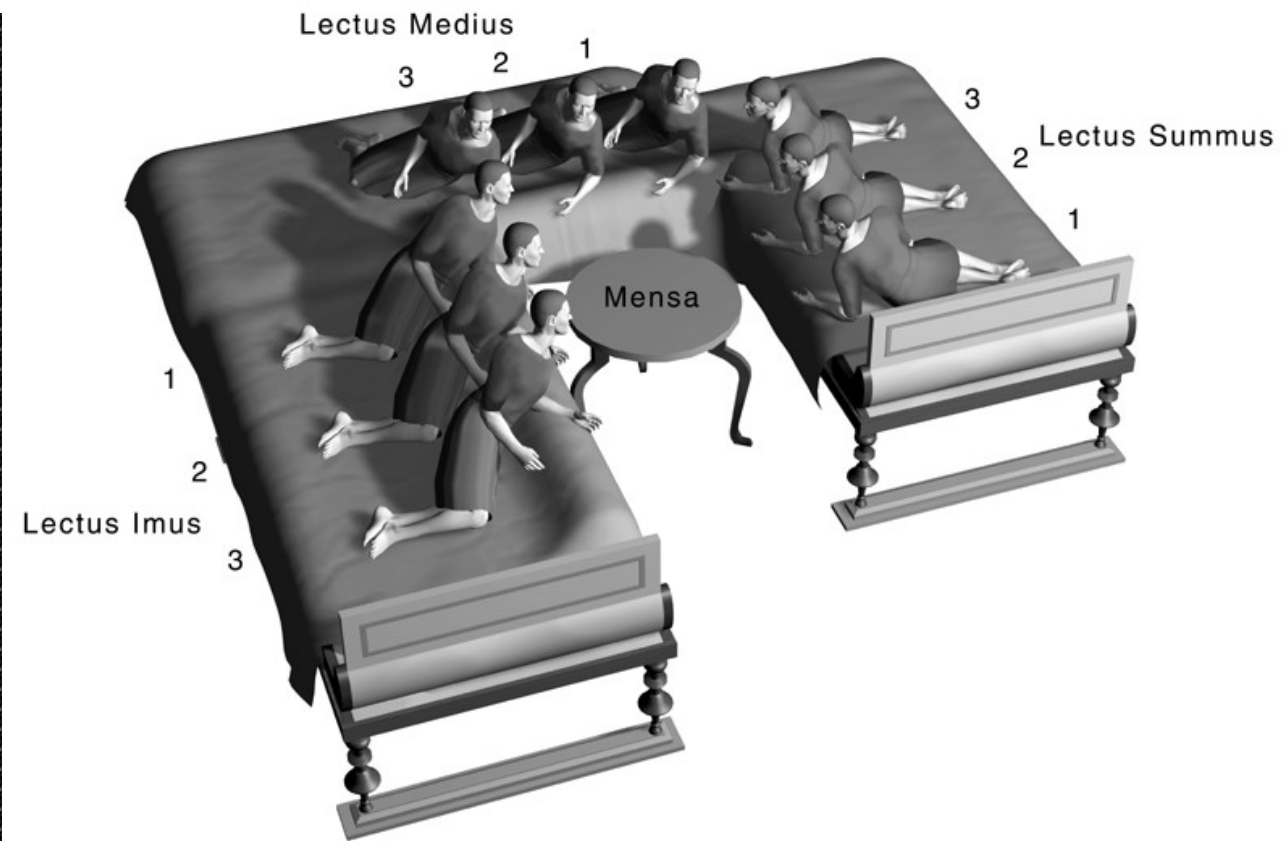

et hortus eius

Culina

- camera in qua coquitur cibum parat

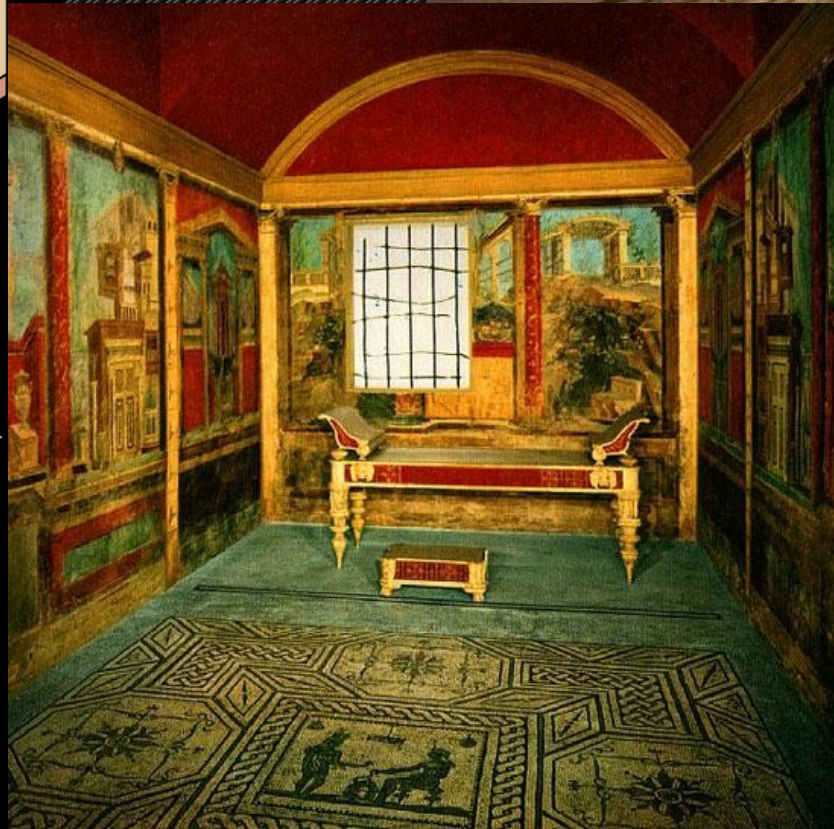

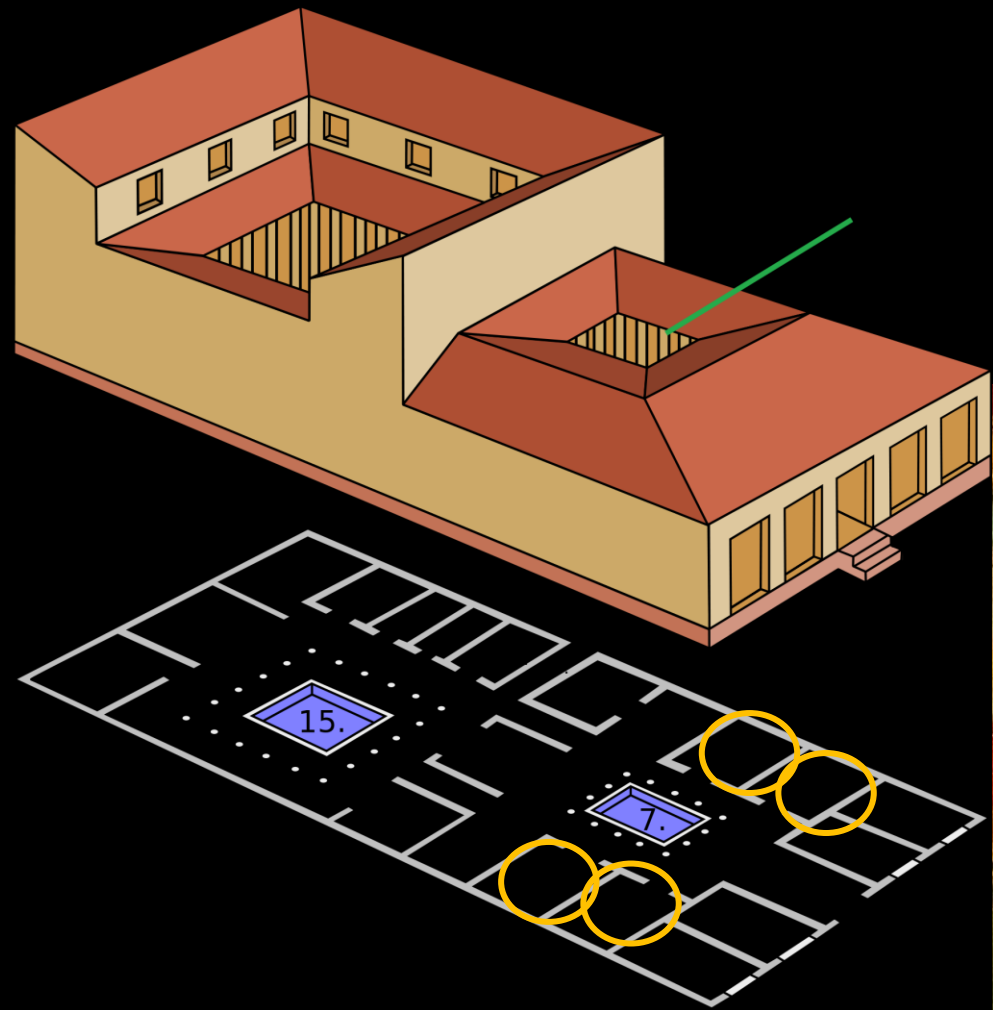

Triclinium

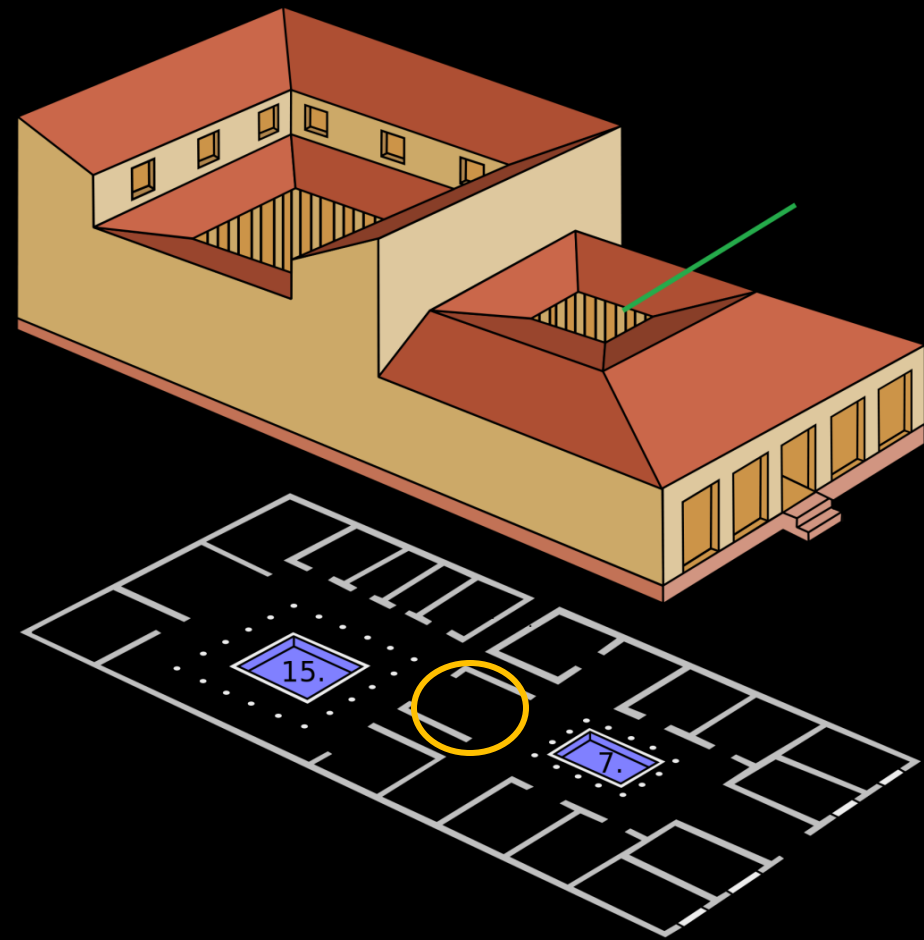

Triclinium est lectus trium locorum ex lapide aut ligno. Ab eo etiam conclave, in quo hi lecti colloquuntur, triclinium nominatur.

lum

Cubiculum est conclave villae, ubi homines nocte dormiunt. In cubiculo unum vel duo lecti sunt. Cubiculum recreationi corporis animaeque servit.

Tablinum

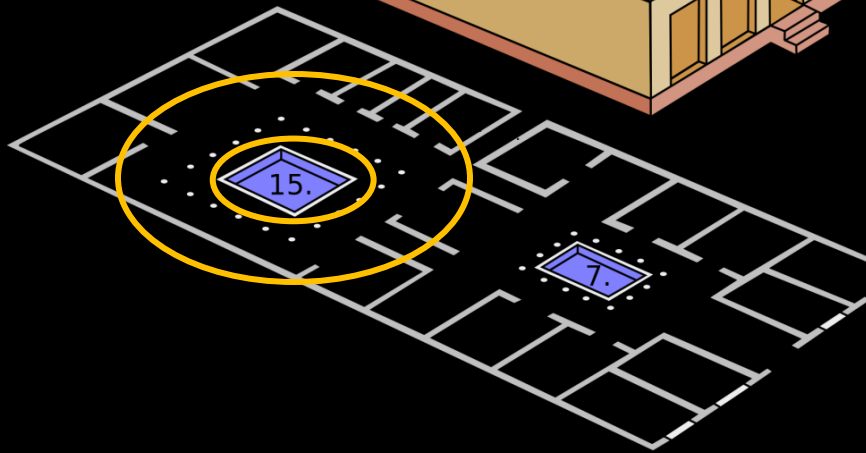

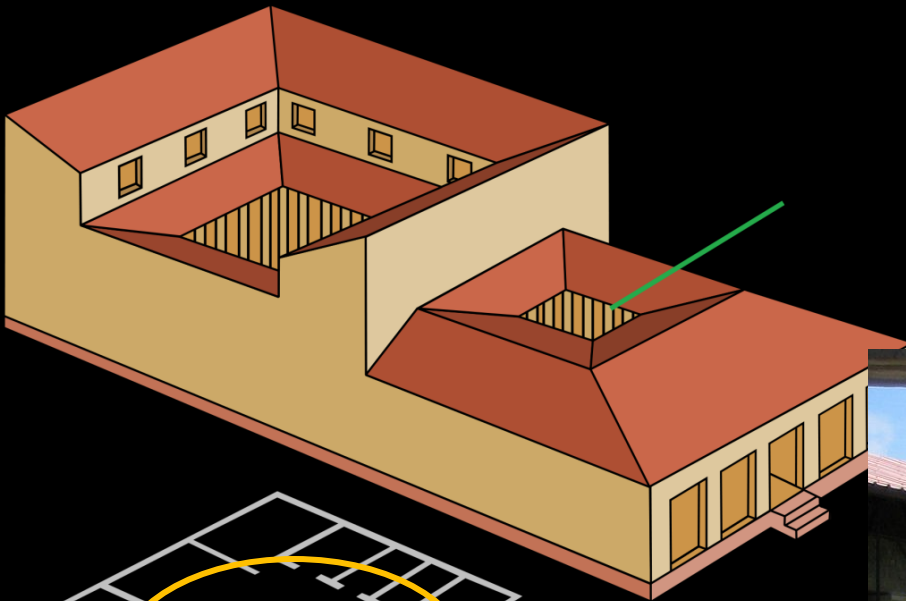

officium,
sedes negotii
ubi pater
familias sibi
clientes
admittit.

Peristylum

area circum aedificiis inclusa
in domo Romana, cuius in
interioribus series
columnarum et
particus hortum
peristylum circudunt.

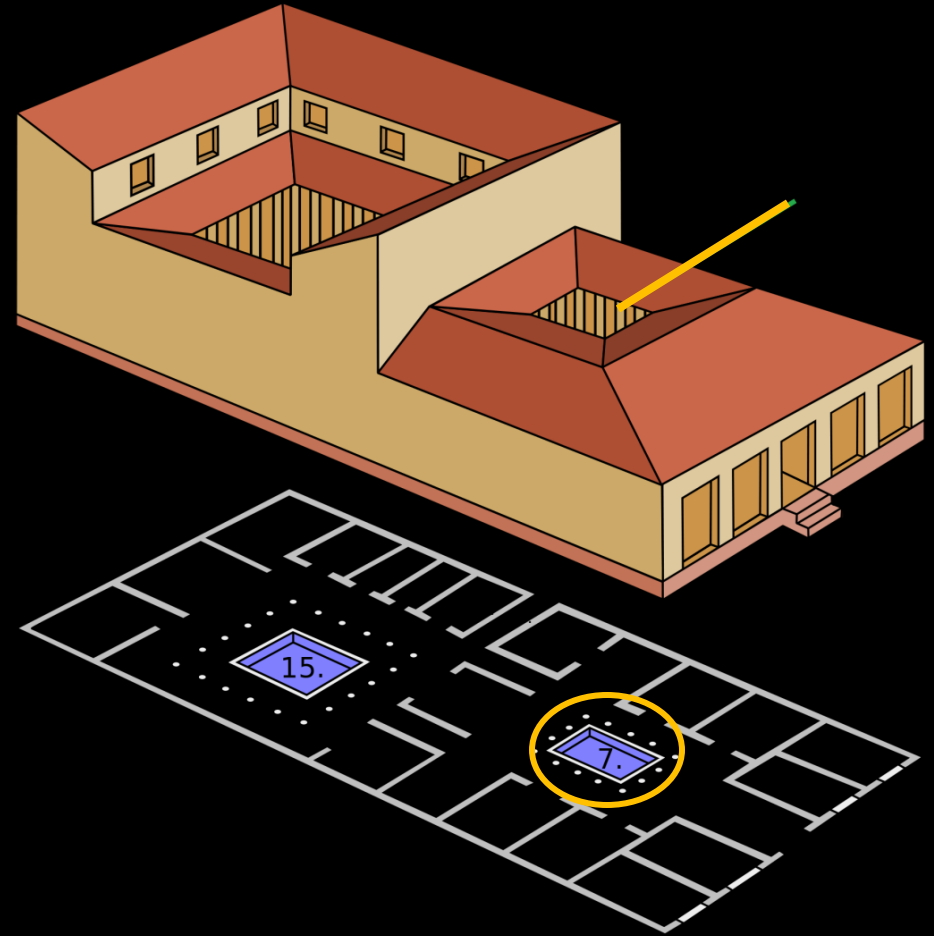

In peristylo
piscina est, ubi
homines lavant
natant et ludent.

Impluvium cum compluvium

- Compluvium est pars et quidem tecti foramen per quod lux et aqua in atrium ipsum intrant.
- Impluvium est pars infra compluvium ubi pluvia colligitur et in cisternam ducitur. Saepe impluvium marmore vestitur.

Lararium

in domo Romana

sacrarium domesticum,
in quo lares familiares,
dii custodes familiae,
adorantur.

Hortus

Flores
