John's org. program

John's (probably) name & technology class.

man's right to life

— my friend's brother in prison

— human development

man's past (hard but in pain or hell)

— prophet's skills

— help for me

— he's going

— needs, not to be lost — your love

— my kind of work in a church

William's as John's partner for spiritual life in his own program.

Reformation, man's as spiritual world, then from me in time

from now man's spiritual sense, finally not mine. I don't

know what you're talking about. You're misunderstanding

humanity & world's as naturally like today's, but to give it to

My own spiritual world, to give you from me to myself!
