

Nolo ego hic disputare de Wellebranis, quia Civitate olim  
Regum & Episcoporum, ut ajunt Metropoli, de quo satis  
superius Testis in Arte Moravia & Schroderus in Sacra  
Moravia Historia per se nec quicquam laborarunt, <sup>et tunc</sup> ~~de quibus~~  
deficientibus relictis memorijs & diplomathis, ~~quae huc loci multum~~  
~~profunda est, nos~~ <sup>enim</sup> ~~de Moravia, eorum fundatione & profectu~~  
quantum ~~notis~~ per Diplomata & literas licet.

legendum  
Hocis consilij
