Excursions to the Czech Museum of Music (ČMH) and Webarchive, Prague
14.11. 2018

Meeting no later than 6:45 am in the vestibule of Brno Main Station
Departure 7:09 (direct RegioJet train to Prague), arrival approx. 9:42.
Upon arrival, **the purchase of the ticket** for public transport, when it seems appropriate one day for CZK 110,- Guard it well ☺
Movement to ČMH:
Metro line C, Main railway station (direction Letňany)> Florenc;
transfer to line B (direction Zličín)> Anděl;
transfer to tram 12 or 20> Hellichova.
Coming to ČMH until 10:30.
The Czech Museum of Music is based on Karmelitská 388/2.
Start of excursion around 10:45.
Lecturer: Filip Šír, DiS.
The excursion will be about 2 hours. We will visit the Department of Digitization of Audio Carriers, in the negotiation is the visit of the depository and other workplaces.

Movement to Webarchive of the National Library in Hostivař. Headquarters on Sodomkova Street 1146/2.
We choose the transportation depending on when we finish at ČMH.
Beginning of the excursion around 14 h.
Lecturer: Mgr. Monika Holoubková.
We will visit the data center and will be space for discussion with experts. Pre-prepared queries are the advantage! Webarchive is a "digital library that keeps web sites for future generations, and if we do not archive them continuously, an important part of the national cultural heritage will disappear" (Michal Škopík spoke about this issue during earlier excursion).
Return the same day on your own or in a group as agreed during the day.
With you: money for the fare (your cost will pay KISK), plenty of drinks, lunch and snacks, reliable stretched shoes, clothing adapted to weather forecasts, a taste of knowing ;-)

IMPORTANT: Please take with you enough food and drink to avoid delaying shopping. Excursions in institutions are tied to particular workers and times. Moving to Prague and across take up considerable amount of time.
