“Toward Freedom” Mural by John Weber IN DANGER

John Pitman Weber, an internationally known artist, painted *Toward Freedom*, as part of SPARC's Neighborhood Pride Program in 1992. Located at 13130 Burbank Blvd in Sherman Oaks, it was completed on the building, which once housed the Valley Cities Jewish Community Center (VCJCC). It was recently purchased by The Help Group to house a new school for children with special needs. It is in jeopardy of being destroyed! Despite pleas from concerned citizens, scholars, artists and organizations, the new owners have no intention to preserve the mural.
