Timeline for KSCA200 Bachelor's thesis seminar

7.10 Introductory meeting for the bachelor's diploma seminar (selection of supervisor and topic, deadlines)

> *The student approaches the staff members and figures out a thesis topic by **Friday 25 Oct**. Once you reach an explicit agreement with the staff member, s/he will manually enroll you into his/her seminar group. **(updated 8 October 2024)***

31.10. Creation of thesis topics in the IS (by the Department Secretary, bsaed on the information provided **by the staff members, not the students**).

> *The student works on the thesis proposal under the guidance of the supervisor (regular meetings recommended).*
>
> *Please approach your supervisor and take a proactive approach; it is your own thesis work so you should be the driver of your own project!*

5.1.2025 Thesis proposal (first draft) uploaded to IS (Homework Vault of the course)

5.1. - 31.1. The supervisor may freely decide whether to organize a presentation session for all the projects that s/he supervises. The supervisor gives the student feedback by 31.1.

1.2.- 9.2. The student uploads the final version of the thesis proposal for the supervisor's check (for the credits of KSCA200).

Spring 2025 (this is another course: KSCA201):

End of April - Submission of completed thesis to IS in case of June state examinations (the exact date can be adjusted by the supervisor according to his/her preferences)

End of June - Submission of completed thesis to IS in case of September state examinations
