Stano Pekár

# Top Journals

- present the most important discoveries
- multidisciplinary within natural sciences
- mainly Short communications or Letters

## Science

- the most prestigious American journal

## Nature

- the most prestigious European journal

**PNAS**

Proceedings of the National  
Academy of Sciences

**PLoS Biology**  
open-access journal

**Current Biology**  
British journal

## Trends in Ecology and Evolution

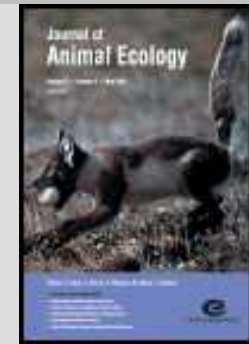

## Annual Review of Ecology, Evolution, and Systematics

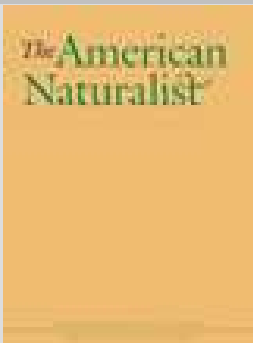

## Ecology

## Journal of Animal Ecology

## American Naturalist

## Evolution

# Specialised Journals

Journal of  
Mammalogy

Acta  
Chiropterologica

Aquatic Insects

Fresh Water  
Biology

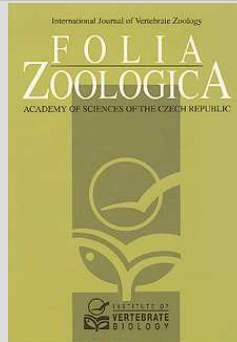

Journal of  
Zoology

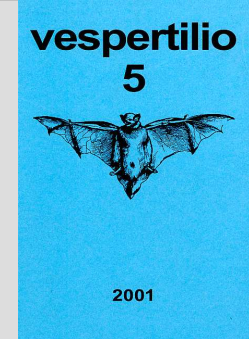

Parasitology

# Czech Scientific Journals

Folia  
Zoologica

Vespertilio

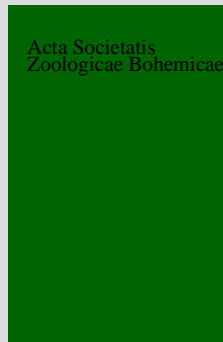

European Journal  
of Entomology

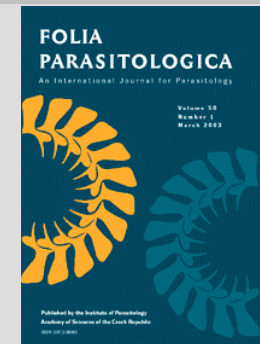

Klapalekiana

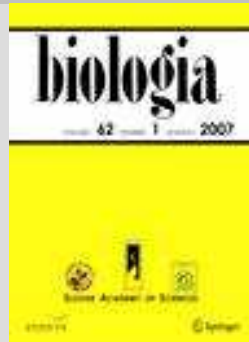

Acta Societatis  
Zoologicae  
Bohemicae

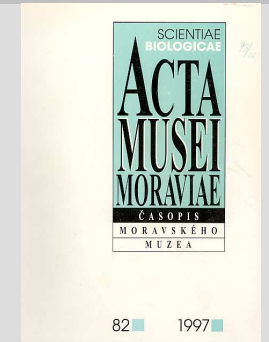

Folia  
Parasitologica

Biologia  
Bratislava

Acta Musei  
Moraviae

Ekológia  
Bratislava

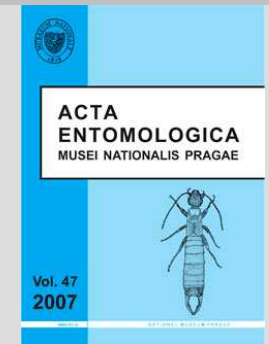

Helmithologia

Plant Protection  
Science

Acta Entomologica  
Musei Nationalis  
Pragae

# Popular Scientific Journals

National  
Geographic

Natural  
History

# "Online" Theses

- MU Archive of Theses**
- bachelor, Master and PhD theses

- DIVA**
- theses of Scandinavian universities

- ETH e-collection**
- theses of University of Zurich

# "Online" Books

## **ebrary**

- 2 000 monographs on education

## **Wiley e-books**

- 2 500 sources from medicine, biotechnology, environment

## **Kluwer/Springer e-books**

- 1 000 sources from natural sciences

# "Online" Encyclopedias

## **Knovel-Essentials**

- chemical, physical and mathematical tables
- encyclopedias

CRC Press  
Periodic Table Online

## **Chemical Periodic Table**

## **Gale e-books**

- Environmental Encyclopedia

The logo for ENVIROnetBASE features the text "ENVIROnetBASE" in a bold, white, sans-serif font. The word "net" is in a smaller font size and lowercase. Below this, the text "Environmental Resources Online" is written in a smaller, white, sans-serif font. The entire logo is set against a dark green background with a subtle, lighter green pattern.

**EnviroNetBase**

- monographs on environmental sciences

**Encyclopedia of Environmental Microbiology**

**Wikipedia**

- multilingual
- multidisciplinary

# "Online" Dictionaries

[www.merriam-webster.com](http://www.merriam-webster.com)
