The screenshot shows a software window titled "Attribute Manager: Aggregate (In Memory)". It features a menu bar with "Layer", "Edit", "View", "Record", "Field", "Tools", and "Help". Below the menu is a toolbar with icons for saving, searching, and other functions. The main area contains a table with the following data:

ShapeID	Landcover	Count
0	vodni plocha	1
1	zastavba	5
2	les	3
3	pole	2

At the bottom of the window, there is a status bar showing a dropdown arrow, a text field, and the text "Record 1 : Field 1 | 0 of 4 Records | 0 of 3 Fields".
