Dear Sir/Madam

I am writing **You** due to an advertisement of a job of a Research Assistant in **Imunology** at the University of Oxford, which I have found at a website for searching new employees.

I am **curantly** working as a **lab.** assistant in a hospital in České Budějovice. My contract will expire in December 2008, so I am **avalable** from the next year.

I would like to work in a field which I have been concerned about during my studies at **Fakulty** of Science at **the Masaryk university** in Brno. My diploma **theses** focused on problems with child obesity and I would like to continue in the research at **Your** university.

I am enclosing my CV. I am **looping** forward to hearing from **You**,

Yours faithfully,

Jana Elsterová
