

Key: Week II

Geometry

Ex. 4: F, A, R

Ex. 5: a) straight, straight, horizontal, oblique
b) intersect, equidistant, parallel

Student life

17.1

1. you graduate from university
2. mature students
3. seats of learning
4. distinguished scholars
5. gifted children
6. straight A students

17.2

1. agility
2. education
3. heart
4. place
5. texts
6. marks
7. improvement
8. learner
9. ability
10. requirements

17.3

1. truant
2. wanders
3. shows
4. natural
5. marked
6. win
7. attend
8. entry requirements
9. enrol

17.5

1. knowledge
2. course
3. concentration
4. ability
