A kam se ještě můžete vydat?

# Výskum a ochrana cicavcov na Slovensku 2017

Katedra ekológie a biológie Fakulty prírodných vied UMB v Banskej Bystrici

Ústav ekológie lesa SAV vo Zvolene

Štátna ochrana prírody Slovenskej republiky Banská Bystrica

Slovenská zoologická spoločnosť pri SAV

Stredoslovenské múzeum v Banskej Bystrici

Vás pozývajú na

13. celoštátnu vedeckú konferenciu s medzinárodnou účasťou,  
ktorá sa koná pod záštitou dekanky Fakulty prírodných vied UMB doc. RNDr. Jarmily Kmeťovej, PhD.

## Výskum a ochrana cicavcov na Slovensku

Banská Bystrica, 23. - 24. 11. 2017

# JOINT MEETING

## 6th ICRBM & 16th Rodens et Spatium

3-7 SEPT 2018  
POTSDAM, GERMANY

The **joint meeting** is an international forum for all involved in basic and applied rodent research. It provides a platform for exchange in various aspects including rodent behaviour, taxonomy, phylogeography, disease, management, genetics and population dynamics.

Former meetings have been held in Olomouc, Lisbon, Rovaniemi (Rodens et Spatium) and Zhengzhou, Bloemfontein, Hanoi (ICRBM).

### PLENARY SPEAKERS ARE

---

**Charles Krebs, Population Biology** (University of British Columbia, Vancouver, Canada)

---

**Rick Ostfeld, Disease Ecology** (Cary Institute of Ecosystem Studies, Millbrook, NY, USA)

---

**Simone Sommer, Conservation Genomics and EcoHealth** (University of Ulm, Germany)

---

**James Ross, Rodent Management** (Lincoln University, New Zealand)

---

**Hannu Ylönen, Behavioural Ecology** (University of Jyväskylä, Finland)

---

*– list to be continued*

# 2018 Annual Meeting – Kruger National Park

**2018 Annual Meeting of the Raptor Research Foundation**  
**12–16 November 2018**  
**Skukuza, Kruger National Park, South Africa**

The 2018 Raptor Research Foundation conference will for the first time be hosted in Africa at the *Nombulo Mdluli Conference Centre* which is located in the Skukuza rest camp of the world-famous Kruger National Park in South Africa. Apart from being home to the Big Five and a host of other iconic African mammal species, the park is also renowned for its diversity of bird species with more than 550 species having been recorded here. This includes 43 diurnal raptor, 8 vulture and 10 owl species, many of which occur here in substantial populations.

**Montpellier, France**

## **II Joint Congress on Evolutionary Biology – Montpellier 2018**

ESEB is delighted to welcome you to the Second Joint Congress on Evolutionary Biology. Joint Congresses take place every six years and bring together four of the world's largest academic societies in the field of evolutionary biology: the **European Society for Evolutionary Biology**, the **American Society of Naturalists**, the **Society for the Study of Evolution** and the **Society of Systematic Biologists**. The first joint congress was in Ottawa, Canada in 2012. The current (i.e. second) will be held in Montpellier, France, on August 19-22 2018.

## PopGroup50

The 50th Population Genetics Group

## It's all over

January 8, 2017

Thanks to everyone who came to Pop Group 50 in Cambridge. The next Pop Group will be from 3-6th January 2018 in Bristol. Look forward to seeing you there.

## Welcome

---

The Otago Museum and the University of Otago are glad to welcome you to the 2018 joint meeting of the Society for the Preservation of Natural History Collections (SPNHC) and Biodiversity Information Standards (TDWG), held from 25 August to the 2 September in Dunedin, New Zealand. The theme of this inaugural joint meeting is 'Collections & Data in an Uncertain World', allowing delegates to explore the strategies and practices that may mitigate the risk to both the physical collections and the data derived from them. We look forward to welcoming you to Dunedin.

# NEOBIOTA 2018
