

JAD01 - English for PhD Studies - Writing

Autumn 2022

Material

Please bring along two pages of your own writing to work on throughout the semester, preferably something you are preparing for a real-life purpose, such as publication. The piece can be longer, but we will work with only two pages of it.

- Two pages of your own writing for critique and improvement in class.

Reference

Our reference material will be the Online Writing Lab on the Purdue University website https://owl.purdue.edu/owl/purdue_owl.html

You will receive guided instruction on the following sections:

1. Academic Writing

1. Conciseness
2. Paramedic and reverse paramedic methods
3. Active and passive voice
4. Adding Emphasis
5. Sentence variety
6. Paragraphs and paragraphing

2. Visual Rhetoric

1. Using fonts with purpose

3. Graduate Writing

1. Introduction to graduate writing
2. Graduate writing topics
 1. Style
 2. Editing and proofreading
 3. Organisation and structure

I encourage you to explore the rest of this site, and work through other parts that might interest you.

NOTE: There is no need to study this website, but become familiar with it before we start.
