

The main goal of the questionnaire is to get feedback from the students and adjust or improve the study plan based on this information. You can fill out the questionnaire anonymously

- 1) How satisfied were you with the content of lectures in the first year of Your study? Please comment or simply rank from 1 - very good to 5 - very bad.
- 2) Did you have to attend some lectures of little use? Please specify.
- 3) Is there an important topic you are missing in your 1st year study plan?
- 4) Should some topic/lecture be expanded?
- 5) What knowledge do you miss the most during your studies?
- 6) Is the formal way of conducting lectures and seminars acceptable to you or should it be modified in some way?
- 7) How much time do you have to spend studying outside of regular classes and seminars?
Please rank from: 1 – it is manageable, no problem to 5 – it takes me too much time
- 8) How could teachers and students from other programs help you in Your study?
- 9) Have you encountered teachers refusing to help you?
- 10) Is there any way how we can help You with the successful completion of the thesis (not only during the Diploma Seminar)?
- 11) Any other comment related to the study program
